ABOUT US

Charan is a name that is renowned worldwide for manufacturing and supplying automotive spares.

Its been 6 decades of dedicated manufacturing units to provide an excellent product. Since then, we shine brilliantly and asserts our forte in the production of automotive spares for scooters, motorcycles, three-wheelers, and light motor vehicles with the state of art plant and machinery backed up by highly professional, skilled, motivated, and experienced production and marketing teams. We are marking our presence on pan India basis as well as around the globe in association with our channel partners.

We look forward lasting bond with your esteem concern.

Thanking you

Hunny Bajaj
